

Bay Village Assisted Living

Project Summary and Contact Sheet

The Project:

The Bay Village Assisted Living Facility will be a state-of-the-art facility for the residents of Annapolis Neck, their family members, and/or other Annapolitans in need of such care. It is planned for Fall 2017 and proposed for the lot behind the CVS on Bay Ridge Road.

Our Goal:

Our goal is to make Bay Village a model for delivering luxury, hospitality and warmth to assisted care, and to consistently execute all project development in a respectful, collaborative, efficient, transparent and inclusive manner within the City of Annapolis.

Information Request:

Whether you are an individual resident, a member of a neighborhood association or an elected official, we are happy to meet you for coffee, provide a formal project presentation and/or provide electronic or hard copies of documents regarding our project.

Who to Contact:

The Bay Village Project Manager is Ted Henry. He can be reached by e-mail at THenry@GSXSolutions.com. His direct phone is 410-746-7222.

Information Online:

The Bay Village Project website can be found at www.BayVillageAssistedLiving.com.
